## Pavement Marking Certification Renewal Application

Pavement Marking Certification Renewal is granted based on the following criteria:

- 1) Completion of the Pavement Marking Rodeo course with a grade of 70 or better on the test/retest.
- 2) Submission of the completed renewal application form by December 1 after passing the Pavement Marking Rodeo test. A photocopy of applicant's current driver's license or state ID must be attached to form.
- 3) Review of the application by the Review Board.

Certification is good for 3 years from the date the applicant completed the last Pavement Marking Rodeo Course. Future certification renewal will follow the same application process as listed above.

If the applicant fails the test on the day of the Pavement Marking Rodeo course, the applicant may notify the Review Board that they want to take the retest which will be given a month after the initial test at a place specified by the Review Board.

If the applicant chooses not to take a retest, they fail the retest or they do not submit an application by December 1, they must successfully complete the entire course again. The Pavement Marking Rodeo is held once a year.

Applicant will be charged \$50 if a card needs to be replaced. Only one (1) replacement card will be allowed in the three (3) year certification period.

Work performed below the level of competence demonstrated in the Rodeo Course may result in removal of certification.

**Applications for renewal of certification will only be accepted by mail. Please mail signed renewal application form with photocopy of applicant's Pavement Marking Certification card and a photocopy of applicant's current driver's license or state ID to:**
